7. Health and Hygiene:

- 1. Iwokrama has a Hygiene and Health protocol for the management of all guests and visitors which visitors are encouraged to review before travel to Iwokrama – please check on www.iwokrama.org
- 2. **Clients must provide proof of a negative COVID 19 test results to the Georgetown office before travelling to the field. We are accepting the Anti-body blood test valid for 3 days before travel.**

Also PCR or Antigen tests dated at least 5 days before travel to the interior.

3. We advise that if clients are experiencing fever, cough, sore throat or related symptoms that they postpone travel until they recover even with a negative COVID-19 test as this may cause distress and anxiety in other guests.
4. Clients will be subjected to a temperature check on arrival or in the case that they display typical symptoms (fever, cough, sneezing, sore throat) related to COVID-19
5. ***Clients must walk with their own face masks and must wear them at all times when in public spaces at Iwokrama – there is signage to guide you in this regard. Clients will not be permitted to enter the lodge, access public spaces or undertake tours unless they have a mask on.*** It is suggested that clients walk with more than one just in case one gets misplaced or damaged. Iwokrama will have regulation N 95 masks for sale at the River Lodge.
6. There will be adequate commercial sanitization facilities at strategic locations around the River Lodge but clients are encouraged to walk with their own personal sanitizers for their own personal comfort. These will also be on sale at the River Lodge.
7. Clients must provide any health insurance information to Iwokrama at the time of booking.
8. In the case of health emergencies or in the case of suspected COVID-19 cases:
 1. The client will be quarantined and will not be allowed to partake in any further activities;
 2. Iwokrama medex will undertake an initial assessment and if necessary, Iwokrama will provide transport to the nearest public health facility, unless the visitor has private insurance to cover the costs for other medical care / evacuation options.
9. The clients must agree to the above guidelines, information and terms before undertaking any Iwokrama tour. Iwokrama reserves the right to refuse service to any clients not wanting to follow these terms and guidelines.
